

Northern Star Council wants YOU to have fun on National Night Out!

AUGUST 1st 2017

National Night Out has been happening for 34 years and it's a great opportunity to meet neighbors, have block parties, live music, cookouts, parades, and games for kids of all ages. Check your community website to see if there are events already happening you could add scouting to.

This is a great opportunity to introduce new kids to scouting and we want YOU to be prepared to make it happen. Your council has wristbands, trading cards, stickers and other recruitment items you need to excite kids about joining scouting.

Most of all, **have fun!** Get creative using your scout skills and the skills of other leaders in your neighborhood to make up fun activities for kids. Here's a few ideas:

- Build Monkey bridges
- Race old pinewood derby cars
- Show off your dutch oven cooking skills
- Play kickball
- Cook s'mores over a fire
- Have a playground Relay Race
- Have a hat throwing competition
- USE YOUR IMAGINATION-YOU'RE THE SCOUTING EXPERTS!

Please contact Northern Star Council at (763-231-7201) for ordering recruitment materials. Best of all, It's Free! We just need to know how many of each item you will need. We also want to hear your cool ideas and spread them to all corners of the council.
