

Spring Camporee 2015 - Aviation Camporee -

Informational Flyer

May 29 - 31, 2015

Buffalo Municipal Airport, Buffalo, MN

It's Gonna Be Big!

Come join your fellow Boy Scouts, and Venturers from the Lake Minnetonka and Crow River Districts on Friday, May 29 through Sunday, May 30, 2015 for a weekend of fun and excitement at the Buffalo Municipal Airport.

Located just 25 minutes west of the Plymouth on US Hwy 55, the city of Buffalo is easily reached by car, balloon, dirigible, helicopter, and airplane.

There will be static aircraft displays, an Aviation Merit Badge course, and the opportunity for some lucky Scouts to take to the skies in flights with the local chapter of the Experimental Aircraft Association.

This will be a fantastic event you won't want to miss!

Great event for LDS units!

Merit Badges: Aviation Merit Badge

All-Star Unit - Not enough adults to go around? We can provide the adult supervision for an overnight camping experience, so that no Scouts are left behind . . .

Contact: Daron.Meyer@lmdbsa.org

The ENTIRE Aviation merit badge will be offered at the Camporee!

All Crow River and Lake Minnetonka Scouts and their guests are invited.

Many thanks to our host units, and our volunteer team from the Crow River and Lake Minnetonka Districts!

Activities and Program

- Static Aviation Displays
